

# Special Subsidized Event Application

Name of the Event you are requesting a Subsidy for: \_\_\_\_\_

Your Name: \_\_\_\_\_ Date of the Event: \_\_\_\_\_

## Requirements by SBRA

- 1. Reason for Subsidy – Briefly explain why you are requesting a subsidy for SBRA members on this event and describe how it will benefit the participants and the club.**

---

---

---

---

- 2. Estimated number of participants**

Estimated subsidy amount requested x \_\_\_\_\_ (per person - max. \$10 if deemed appropriate by SBRA)

**Total subsidy requested = \_\_\_\_\_**

**NOTE:** This estimating model can be used to help determine the amount of subsidy you will need but the final subsidy amount must be a fixed number. It can not be changed at a later date.

If you end up with a greater number of people, you must divide the total subsidy amount amongst the total number of people who participate in the event.

- 3. Requests for event subsidy must be received by June 21<sup>st</sup> to be included in the SBRA budget.**
- 4. Event must be open to SBRA Club members and preferably be multi-level. Subsidy is only available to SBRA Club members.**
- 5. The ride must be a <sup>1</sup>structured ride and no one left behind. Ride Leaders and Cue Sheets are required.**
- 6. Events associated with political or commercial activities will not be subsidized.**
- 7. Events deemed to be too dangerous due to ride location, time of day, traffic conditions or any other safety concerns will not be subsidized.**
- 8. The SBRA Board reserves the right to disapprove any event subsidy for any reason.**

<sup>1</sup>**Structured** - Structured rides are more formally controlled rides in what is expected of the Ride Leader and the riders. The posted ride speed should be enforced. Cue sheets are provided and the posted route should be followed. Water and rest stops should be provided. All riders should stay together as a group and no one should be dropped. Riders are discouraged from riding ahead of the group. Riders who do are considered off the ride.
